## **Break-In at Lions Equipment Store**

At some time between Monday morning and Wednesday morning last week, thieves forced their way into the Lions' store room in Orchard Way where they keep the equipment used at local fund-raising events. A number of items were stolen, including a brand new stall cover, bottled gas containers, gas lamps and catering equipment.

Approximately £450 worth of equipment was stolen. The break-in occurred three days before the Lions had agreed to provide catering facilities in support of the town's Football Club Guy Fawkes night fireworks display for the citizens of East Grinstead. The Lions team did the job, despite the lack of equipment and are now faced with the task of funding replacements.
