Phoenix House Car Park

The Health & Safety Executive Estates Manager, Janice Barker, handed over to Lion President John Noble the official agreement allowing East Grinstead Lions to manage the Car Park on Saturdays from 8.30 am to 5.00 pm. Since the Lions have been charging for car parking there has been a very positive response from motorists who have used the car park and many generously give more than the fee. All members of the Lions Club take it in turns to work on a rota and all money received goes to the Lions local charities.  
The Property Manager said the HSE were pleased to see the car park being used to raise funds for a Local Charity.
