The Sun Shines at Lions Handover

East Grinstead & District Lions Club members and their ladies went to lunch on Sunday at East Court Mansion, with guest of honour Lady Mayoress Beverley Heasman, to celebrate the completion of Denis Avery's year as President and the handover of the presidency to Lion Richard Maynard.

During Denis's year of office the club raised over £23,000 which was paid out to support a wide range of worthy causes. "The club deserves high praise for the support I have received during my year of office and for the hard work by members and their ladies that went into our fund-raising efforts" he said. "And what we have achieved together would not have been possible without the support of local traders and the folk of East Grinstead and the surrounding communities – by coming to our events and spending their money and I hope, having a good time, it is they who have made it possible for us to help so many deserving causes"

As he received the chain of office, incoming President Richard Maynard promised his firm support.
