Life with the Lions Now Only a Mouse Click Away

AThis week sees the launch of the East Grinstead & District Lions Club's web site. "Now local residents can check out our upcoming events, find out what makes our club tick in terms of Fund Raising and Community Service activities and perhaps even apply to join us – we're always looking for new blood!" said Lions webmaster Jim Miller. "This is a great step forward for us because it allows us to communicate instantly with our local community and enables them to communicate easily with us – each section of the club is now only a mouse click away by email" he said.

Get On Line with the Lions to Raise Funds for Your Organisation

Local youth and community service organisations wishing to raise funds for charitable causes or themselves can get help from the Lions by entering sponsored swim teams for their annual Swim Night at Kings Centre on 14th November – see '[Programme](#)' for details.

"We'd like to express our heartfelt thanks to [Gordon Gould](#) for the excellent work he has done in creating our web site"
