## **Lions and Local Firms Help Sackville Youngster**

East Grinstead Lions Club were recently approached by the father of Sackville pupil Ryan Foster to see if they could help obtain a computer for his 11 year old son to enable him to continue with school work from home while undergoing a course of chemotherapy which has side effects that interfere with school attendance.

With a computer at home, he would at least be able to receive and submit homework and try to keep up.

The Lions contacted Page Computers Direct of Newchapel to see if they could help. Shortly afterwards, Page were very pleased to announce that their clients Sue and Ben Garner of Shawlands Properties would be updating their business computer and would generously donate the one being replaced, complete with printer, for Ryan's benefit.

The equipment is now assembled in Ryan's bedroom, enabling him to do schoolwork and email the results whenever he feels well enough.

The Lions wish Ryan every success and would like to thank Page Computers Direct and Mr & Mrs Garner for all their help.
